Interested parties are requested to submit the bids before due date. For further information please visit Mumbai Port Campus website: www.imumumbai.com

Encl: As Above

Yours faithfully

(Nassir Sajjad) 26/2/18
Administrative Consultant

NOTICE

Tender to purchase Diesel Engine Combustion Gas Monitor simulator was floated, but found no response. Hence to improve participation and response from simulator manufacturers, it was felt necessary to include a wider variety of engine models for the Combustion Gas Simulator, for simulator manufacturers; without diluting the original content of tender nor the objectives of the simulator. Following additions have been recommended in the specifications:-

“Equivalent engine models such as the following may be used:

MC Engine – MAN B&W 6S60MC

ME Engine – MAN B&W 6S80ME

Sample data and output formats are “indicative/suggestive” only, manufacturers may use appropriate input and output data/reports formats.”

In view of the above, the date for submission of quotations will hereby extended to 16th March 2018.
